Applications for Graduate Student Travel Assistance are invited from currently enrolled University of Utah graduate students whose research or creative project has been accepted for presentation at a professional meeting. This assistance is contingent upon the applicant presenting at the meeting.

Applications must be received in the Graduate School prior to travel dates. Requests are considered up to a maximum of $400 and must be supported with a dollar-for-dollar match from university funds. Matching support must be from university funding sources, e.g., development, operation, service, research, etc. One award only will be made during each fiscal year (July 1-June 30) to any graduate student.

Student travel assistance funding can reimburse airfare, car mileage (in lieu of airfare), ground transportation fares such as shuttle or taxis, lodging, abstract fees and conference registration fees. The assistance will not reimburse meals, per diem, society memberships, or poster preparation fees.

Because travel requests in recent years have far exceeded funds available, the Graduate School requests departments or research units that can afford to support graduate student travel entirely on their own funds do so.

The Graduate School will determine total funds allotted for each month in the year; applications can be submitted anytime before the travel dates but are only considered for funds allotted to the month in which the travel occurs - in the event of a trip spanning the end of one month and the beginning of another, the first date of travel will be used to determine the month to which the application will be applied. Funding is granted on a first come, first served basis until funds for the month are exhausted. Those applications not supported will be put on a reserve list for each month to be used in the event those awarded funding cannot or do not use it.

Incomplete applications result in delays in processing. Please check off each item below to verify that it has been included with your application. The Graduate Student Travel Assistance application must include:

Scholarships, Fellowships, Tuition Waivers, and Financial Aid

Pursuant to SB-81, as of July 1, 2009, every University of Utah recipient of a scholarship, tuition waiver, or any other form of financial aid must undergo certification of lawful U.S. residency.

Students who receive a scholarship, fellowship, or other financial aid administered by the University of Utah are required by state law to certify that they are eligible to receive the scholarship as a U.S. citizen or a citizen of another country who is lawfully present in the U.S. If students do not know whether they are in the U.S. lawfully, they should seek the advice of an immigration attorney before filing a scholarship/financial aid application.

Prior to the disbursement of any scholarship/financial aid, the University of Utah is required by law to verify the recipient’s citizenship status or lawful presence in the U.S. with the Department of Homeland Security (DHS). Once the University submits a student’s information to DHS for verification, this federal agency may have the legal right to share the information with other government agencies.
